Professional Experience

Saint Anselm College Information Technology Service Desk

Student Technician

October 2023 – Present

- Provided excellent tech support to students, faculty, and staff, ensuring quick fixes and smooth resolutions to IT issues.
- Helped users with everything from software installs to password resets and connectivity problems, offering tailored solutions to meet their needs.
- Acted as the go-to person for issues, assessing problems efficiently, solving what I could, and escalating when needed.
- Teamed up with campus IT staff to improve and streamline Service Desk operations, making processes more efficient.
- Mentored new student employees, helping them get up to speed and feel part of the team through training and sharing knowledge.
- Fostered a positive, collaborative atmosphere by actively listening, being patient, and communicating clearly with peers to create a supportive Service Desk environment.

Clinton High School Main Office

Multilingual Announcer

August 2018-May 2021

- Worked closely with the school's main office staff to translate daily morning announcements into Spanish, ensuring timely delivery to the entire school community.
 - Confidently and articulately delivered translated announcements, fostering inclusivity and accessibility for non-English speaking members of the school.
 - Maintained a high level of trust and confidentiality by being the sole student privy to the information before it was announced, ensuring the integrity of the school's communication.
 - Contributed to a more inclusive and culturally sensitive school environment by bridging language gaps and fostering effective communication across diverse student groups.
